THE BEAVER BULLETIN

Time to trim your trees back to let more sunshine into your home

PO Box 37289, Halswell, Christchurch 8245 - Phone 344-6223 - Fax 344-6227 - email beavertrees@xtra.co.nz

MESSAGE FROM THE HEAD BEAVER

Our tails are down our heads are up.

I want to take this opportunity to let you know about our recent alliance with Ben McMaster. Ben is a prominent landscape designer in Christchurch and has been for some years.

As you know our new landscaping company Beaver Landscaping is only 2 years old, however we bring the experience of running a successful tree business which our clients have trusted for years. We have continued the same level of service and commitment with our landscape company. We are looking forward to changing the face of Christchurch landscapes with our new alliance with Ben offering top end landscape design in conjunction with our construction and implementation. We will still be designing, constructing and managing the smaller projects.

Our alliance with Ben McMaster will make us one of the leading Landscaping Design and Construction companies in Christchurch. This will give our clients confidence that their landscape project will be of the highest quality and workmanship.

Lately we have taken prospective clients to view some of the recent projects we have completed including my own garden in Halswell. We offer a FREE initial consultation with our designer; this is valued at \$184.00. This is a great way to get a feel for what we can achieve

for you in your landscape, taking into account all aspects of your lifestyle requirements and environmental conditions. If you would like to take up this offer simply ring the "Beaverettes" and speak to Lynda or Andrea.

On the 5th November, I am organising a fundraiser for my daughter's school. This will be a garden tour including Kate Shepherd's old house in Clyde Road and some other show gardens, finishing at my place in the afternoon for something to eat and a cuppa with some music. The owners of these gardens are clients of mine, who are opening up their gardens for free for the fundraiser. We will also have the She Chocolat Double Decker Bus at one of the gardens, selling chocolates, hot chocolate drinks, treats etc. The tour will be \$25.00 per person.

There will also be a guided tour of Otahuna Gardens on the 6th November, also a client of ours. This will be limited to 50 people. Proceeds from this will go directly to The Christchurch Earthquake Fund. The price for this tour is yet to be decided.

Please e-mail beavertrees@xtra.co.nz if you are interested and we will send you more information.
